Module	Host Organization	City	State	Faculty	Program Date
Module B--Safe and Effective Use of Insulin in the Hospital Setting	Providence Medical Center	Kansas City	KS	Janet McGill, MD	5/21/2010
Module A--Achieving Glycemic Control in the Hospital Setting: Implementing Insulin Strategies	Beth Israel Medical Center	Brooklyn	NY	Susan Ann Cornell, BS, PharmD, CDE, CDM	5/27/2010
Module B--Safe and Effective Use of Insulin in the Hospital Setting	Baptist Hospitals of Southeast Texas	Beaumont	TX	Linda B Haas, PhC, RN, CDE	6/2/2010
Module C--Inpatient Hyperglycemia: Planning for Effective Discharge	Hackettstown Regional Medical Center	Hackettstown	NJ	Alpesh Amin, MD, MBA, FACP	6/9/2010
Module B--Safe and Effective Use of Insulin in the Hospital Setting	Hackettstown Regional Medical Center	Hackettstown	NJ	Alpesh Amin, MD, MBA, FACP	6/9/2010
Module A--Achieving Glycemic Control in the Hospital Setting: Implementing Insulin Strategies	Whittier Hospital Medical Center	Whittier	CA	Alpesh Amin, MD, MBA, FACP	6/17/2010
Module B--Safe and Effective Use of Insulin in the Hospital Setting	Provena United Samaritans Medical Center	Danville	IL	John M Miles, MD	6/18/2010
Module A--Achieving Glycemic Control in the Hospital Setting: Implementing Insulin Strategies	Roper St. Francis Healthcare	Charleston	SC	John M Miles, MD	6/23/2010
Module A--Achieving Glycemic Control in the Hospital Setting: Implementing Insulin Strategies	Memorial Medical Center	Springfield	IL	Linda B Haas, PhC, RN, CDE	6/29/2010
Module B--Safe and Effective Use of Insulin in the Hospital Setting	Florida Hospital Waterman	Tavares	FL	John M Miles, MD	7/6/2010
Module A--Achieving Glycemic Control in the Hospital Setting: Implementing Insulin Strategies	Lakeview Regional Medical Center	Covington	LA	Susan Ann Cornell, BS, PharmD, CDE, CDM	7/14/2010
Module A--Achieving Glycemic Control in the Hospital Setting: Implementing Insulin Strategies	Firelands Regional Medical Center	Sandusky	OH	Armand Krikorian, MD	7/14/2010
Module A--Achieving Glycemic Control in the Hospital Setting: Implementing Insulin Strategies	DeKalb Regional Medical Center	Fort Payne	AL	Janet McGill, MD	7/20/2010
Module A--Achieving Glycemic Control in the Hospital Setting: Implementing Insulin Strategies	Marina Del Rey Hospital	Marina Del Rey	CA	Etie Moghissi, MD, FACP, FACE	7/20/2010
Module B--Safe and Effective Use of Insulin in the Hospital Setting	United Regional Health Care System	Wichita Falls	TX	Linda B Haas, PhC, RN, CDE	7/22/2010
Module A--Achieving Glycemic Control in the Hospital Setting: Implementing Insulin Strategies	LSU-S EA Conway Medical Center	Monroe	LA	Curtis Triplitt, PharmD, CDE	7/29/2010
Module B--Safe and Effective Use of Insulin in the Hospital Setting	Firelands Regional Medical Center	Sandusky	OH	Faramarz Ismail-Beigi, MD, PhD	8/11/2010
Module C--Inpatient Hyperglycemia: Planning for Effective Discharge	DeKalb Regional Medical Center	Fort Payne	AL	Alpesh Amin, MD, MBA, FACP	8/17/2010
Module B--Safe and Effective Use of Insulin in the Hospital Setting	DeKalb Regional Medical Center	Fort Payne	AL	Alpesh Amin, MD, MBA, FACP	8/17/2010
Module B--Safe and Effective Use of Insulin in the Hospital Setting	Lakeview Regional Medical Center	Covington	LA	Linda B Haas, PhC, RN, CDE	8/17/2010
Module A--Achieving Glycemic Control in the Hospital Setting: Implementing Insulin Strategies	St Lukes Roosevelt Hospital Center	New York	NY	Faramarz Ismail-Beigi, MD, PhD	9/1/2010
Module A--Achieving Glycemic Control in the Hospital Setting: Implementing Insulin Strategies	Baptist Health Medical Center-Little Rock	Little Rock	AR	Michael Bryer-Ash, MD, FRCP(Lond), FRCP©	9/22/2010
Module C--Inpatient Hyperglycemia: Planning for Effective Discharge	Pikeville Medical Center, Inc.	Pikeville	KY	Armand Krikorian, MD	9/25/2010
Module A--Achieving Glycemic Control in the Hospital Setting: Implementing Insulin Strategies	Pikeville Medical Center, Inc.	Pikeville	KY	Doron Schneider, MD	9/25/2010
Module B--Safe and Effective Use of Insulin in the Hospital Setting	Pikeville Medical Center, Inc.	Pikeville	KY	Doron Schneider, MD	9/25/2010
Module C--Inpatient Hyperglycemia: Planning for Effective Discharge	Lakeview Regional Medical Center	Covington	LA	Jacqui Thompson, RN, MAS, CDE	9/27/2010
Module C--Inpatient Hyperglycemia: Planning for Effective Discharge	Baptist Health Medical Center-Little Rock	Little Rock	AR	Michael Hennigan, MD, FACP, FACE	9/29/2010
Module B--Safe and Effective Use of Insulin in the Hospital Setting	Marina Del Rey Hospital	Marina Del Rey	CA	Etie Moghissi, MD, FACP, FACE	9/29/2010
Module C--Inpatient Hyperglycemia: Planning for Effective Discharge	Robinson Memorial Hospital	Ravenna	OH	Faramarz Ismail-Beigi, MD, PhD	10/6/2010
Module C--Inpatient Hyperglycemia: Planning for Effective Discharge	Providence Medical Center	Kansas City	KS	John M Miles, MD	10/8/2010
Module B--Safe and Effective Use of Insulin in the Hospital Setting	Banner Gateway Medical Center	Gilbert	AZ	Alpesh Amin, MD, MBA, FACP	11/5/2010
Module C--Inpatient Hyperglycemia: Planning for Effective Discharge	Overlook Hospital	Summit	NJ	Linda B Haas, PhC, RN, CDE	########
Module B--Safe and Effective Use of Insulin in the Hospital Setting	St Agnes Hospital	Baltimore	MD	Faramarz Ismail-Beigi, MD, PhD	########
Module C--Inpatient Hyperglycemia: Planning for Effective Discharge	Marina Del Rey Hospital	Marina Del Rey	CA	Etie Moghissi, MD, FACP, FACE	########
